The boat has an experienced crew that is ready to help you and make sure you will have a great time on the water. They will bait your hooks, remove your fish, and clean your catch at the end of the trip.

Pack your Lunch, Water, Soda, Beverage of Choice and bring your own gear if you would like or use the boat rods supplied by the captain. Included in the cost of the trip are rods, reels, fishing license, terminal tackle and the bait. Your cooler that carried your lunch and beverages can be used to take your catch home with you or, stop in the area at one of the local restaurants before

heading home and enjoy a really fresh fish fry.

This is an ideal trip for all club members, at a really great price, \$89 for fisherman and only \$59 for Non-Fishermen/Riders.
