IT'S ON!! SOMETHING FISHY!

The North vs. South Fishing tournament on October 13th.

Admiral John Cavanagh is looking for more captains and anglers for his North team and Admiral Pete A for the South team. If you want to participate as a captain (a person with boat) or an angler, please call, email or whatever to get registered. If you are an angler with no specific boat, we will help you get on a boat. Remember, only \$10.00 per person. There will be prizes and food at the awards picnic scheduled for October 14 at Sarazen Park. Our membership and spouses are invited. Food will be free and only \$3.00 per person for beer or wine. Please call or use our website to email Mike Levine (see full instructions on the reservations page of *The Newsletter*) to register for the picnic.

One last word on the Tournament. If you are participating, please stay in contact with your admiral for rules and regulations of the event and the date of the captain & angler meeting.

We are invited to participate in the annual Blessing of the Fleet hosted by the Marco Cruise Club. It is scheduled for November 4th, weather permitting. There will be a raft-up afterwards. Please contact Ron Gordon for the particulars.

Our monthly picnics and luncheons will start again in October with a "bring your own meat" picnic on Oct 23rd at Sarazen Park and a luncheon on Oct 16th at Cracklin' Jacks. Keep an eye on *The Newsletter* for the times and particulars.

We will have a fishing clinic at our general meeting in November with equipment, tackle and knots, just to name a few. The October general meeting will feature net throwing. If there is

anything special you would like to see at the clinic please make the request early.

Finally, we are in the planning stages of our next tag sale. I expect it to be in January or February, so start gathering that fishing and boating equipment you no longer need and get it ready for sale.

Please notice the dues invoice in the newsletter. Now is a great time to renew before the rush!!

Remember, baiting your hook is like eating in a fine restaurant, presentation is everything.

Keep a loose grip on your shrimp.

Peter Arcidiacono

WANTED: Old fishing lures. Call 821-0369

LURES REFURBISHED. Free estimates. Call 821-0369

SEAWEED SEZ: Many new lures, crank baits and top water plugs have their treble hooks attached very tightly to a body hanger. This set-up allows the fish to gain a lot of leverage to shake free of the lure. Cut off the hooks. They are usually not very good. Attach two different size split rings to the body hanger; one split ring should fit inside the other. Attach new razor sharp treble hooks. The hooks now swing freely and the fish can't get that leverage to shake free.

EDITORS NOTE: For Sale items are printed for one month only. They are not automatically reprinted. We would be happy to run yours again. Just email your request to asegal1519@cs.com.

The Marco Cruise Club is holding its 16th Annual Blessing of the Fleet on Saturday, November 4th. All watercraft of all types are welcome to the ceremony that will be held in Smokehouse Bay and to the raft-up following. Bring hors d'oeuvres and fenders. Contact Ron Gordon.

Collins & Cavanagh are a real team. This is part of a huge catch, 50 miles south, at night.
