# MSC Newsletter December 2007

*Dedicated to fishing in and around Collier County*

## **HAPPY HOLIDAYS TO ALL!**

### *The President's Message:*

Cold fronts have started. Fish are going into their cold water pattern. I have been told that kingfish, mackerel and bonita are all over the place. Only a mile or two offshore. Club members have reported that grouper fishing has improved. Our guys and gals are bringing home keepers! So, grab a sweatshirt and get off the couch. It is time to fish!

December will bring a close to a fun year and we will begin gearing up for 2008. First off, several board member's are leaving because their terms are up. We will be replacing them with Jim Mueller, Bert Hoell and Tony Saputo.

I would like to acknowledge the departing and current board members for their hard work to improve this club and make it a real fishing club with real fishing events. I expect 2008 will bring more fun and exciting events for the entire family.

By the time you get this newsletter there will be less than 30 days to get the big fish and get on the leader board. Remember you must call or email Seaweed with the size of the fish. Please don't wait till the meeting to tell him..

We are planning a Fishing Clinic for the January meeting. If there is something you are a good at and are willing to teach, let us know. We need volunteers to help out at the clinic. Also, if there is a topic you would like covered, let us know ASAP and we will make an effort to have someone teach it.

It's your input that will let us know what to do to make the clinic more effective. Here are some examples of what we need: knots - both fishing and boating, equipment - offshore and backwater, artificial bait and how to rig, trolling techniques, basic motor maintenance, casting, etc.

One last thing. As I was writing this, I received a phone call informing me that a friend, fishing buddy and club member has passed away. Jarvis Roper died on November 16<sup>th</sup>. He will be missed by all of us. My condolences go to the Roper Family.

Remember, keep bait on your hook and a beer in your hand. See ya' at the bait shop. Pete A

## Picnic News by Dave Walsh, Picnic Chairman

The October 17<sup>th</sup> picnic was scheduled to be catered by Porky's, but because of the low number of responses by the deadline I had to postpone it until December. As it turned out, I got enough late responses that we could have met the minimum requirements. But, by then it was too late. We ended up having hamburgers, hot dogs and sausages and decided to make the whole thing FREE, since we had to change the menu at the last minute.

On November 12<sup>th</sup>, we had our last Favorite Northern Meats picnic. Not many people brought meat back

from Up North. We won't push it again next year. There were quite a few people who called in *after* the deadline. Even some who just showed up and expected us to have food for them (see a pattern developing?). Fortunately, we just squeezed by with only three hot sausages left over. Unfortunately, we forgot to put out the dessert until half the people had left. Those who stayed got an overdose of triple chocolate brownies. In the future, be sure to ask for dessert if it was listed on the menu and you don't see it put out in a timely manner. Of course, dessert might not even be on the menu.

Due to the increasing problem of people missing the sign-up deadline, future picnics will have a higher price if you're **not paid up by the deadline**. This assumes, of course, that we can even add more people.

**IMPORTANT:** MICA cuts us some slack and let's us park in the Sarazen parking lot without a MICA sticker if we are attending a MSC function. However, the adjoining lot is a Collier County parking lot and not controlled by MICA or the City. If you park there without a County sticker, you are liable to get a ticket.
