The President's Message

It's all about the TRILOGY this month. Our tournament is taking shape and is promising to be a fun-filled time. We have anglers of all shapes, sizes, genders and skill ability signing up. Please keep in mind skill level is not important. Many of us bait-fish for reds which requires limited casting. Reds are commonly found along mangroves and on points, which allows many styles of boats to be used. Each team will elect a captain who will assist all his/her team members to find productive spots. If that's not enough to get you to sign up read this:

Our October meeting event will be a red-fish clinic. That's right, a red-fish clinic! Now you will have the opportunity to cram all the knowledge offered into 1½ hours of learning. (Just like when we went to school)

The clinic will explain the type of equipment, tackle, baits, methods and general locations of the art of red-fish fishing. If you don't know it now, you will after attending this clinic. The clinic will start at 6:30 PM and the general meeting will follow at 7:45 PM. Any additional conversation regarding red-fish can be done at FISHTAILS.

Our awards picnic will be held at Sarazen Park on October 30 and will be catered by Porky's. It will be a PIG ROAST AND CHICKEN. The entry fee for the tournament will include the picnic for the participant and spouse. The cost of beer & wine is extra. The entire membership is invited and encouraged to attend the awards picnic. Admission is \$12.00 per person plus beer & wine. Please see the flyer in *The Newsletter*. Now is a great time to send in your reservation. Don't delay. Al M will be out of town for the October meeting, so FOM awards

will be tabulated and given during the November meeting.

BIG NEWS! Dave Walsh is back at the grill. Starting in November, he will be hosting the picnics once again. So, see his November flyer in *The Newsletter*.

We need pictures. Catch fish. Take a photo. Send it in! There is no better way to boast about your success. Let's not forget to call in your big fish. Remember, there are two prizes per month for the largest of the designated species caught, as well as the coveted angler of the year award. Currently we are at a three way tie.

We are still searching for that special someone to add talent to an already talented Board of Directors. There are three fields that specifically need help. One is assistant to Ed C, our web-master. An other is assistant to Art S with publishing *The Newsletter*. The third is working with the board on monthly functions. Remember, many hands make light work! It's not hard, in fact it's fun (most of the time).

Last month, our "I WANNA KNOW" got really good reviews. We will do it again soon. Store up your fishing questions and wait for the announcement.

If you feel we are missing anything or there is a particular subject you would like to see covered please email me. I welcome all input (bad input not so much).

Remember, comfort your shrimp during turbulent times. They get scared too. See ya at the bait shop.
Regards, Peter
