

To my friends and customers

On Feb 3rd Lee Henderson, his brother-in-law Craig and I will set sail from Marco aboard Lee's 36 foot PDQ catamaran the Brigadoon II, bound for the Bahamas. We will be gone for 2 months, returning in early April. Attached is an October press release that provides more details of our adventure.

The Brigadoon II

During Feb and March I will not be monitoring my cell phone or email since we will be at sea or at anchor nearly all of the time. If you need to contact me send email to Cindy at lucindaed@aol.com or call 239-393-0415 and leave a message. She will have a limited ability to contact me via Single Sideband Radio.

To my housewatch customers: Not to worry, you will be taken care of!. Stand by for another email with all the details.

To the MMC and MSC Board of Directors: Stand by for a separate email on the impact to the club's websites.

I'm sorry if you received more than one copy of this email. Some of my lists may overlap.
